

### 10. Sirius B

Po Tolo!

### 11. Voyage Of Gurdjieff (The Fourth Way)

Walk all alone on a quest to wake up, as the day you said:  
"Life is only real then, when 'I am'  
When I walk on the way, of the Fourth Way"  
When your journey begins you'll meet the world  
You'll see the sleep

Dance a sufi dance and fall into a trance  
Like a Derwish you dance  
Dance with Yezidis and learn their secret lore...  
Voyage of Gurdjieff

Learn how to live, how to use the Octave  
Listen to the tale (of) The lord of Flies tonight  
Nine pointed star, it will shine on your soul  
And you'll find your way like a Herald of Light  
Who show the way like Gurdjieff

Learn how to live, how to use the Octave  
Listen to the tale (of) The lord of Flies tonight  
Nine pointed star, it will shine on your soul  
And you'll find your way like a Herald of Light  
Who show the way like Gurdjieff

Learn how to live, how to use the Octave  
On the Fourth Way the life is only real  
Then, when 'I am', when I walk on the way  
On the Fourth Way, like a Herald of Light and the Dark

Is there life on Earth? The World will set you free  
Voyage of Gurdjieff, are we like machines?  
No, we can build a soul like black diamond
