

The Return

Therion

Strike at mother earth
No one will survive
Kill the human race
With radioactive air
Egregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the nature
When come the return
Of a clean nature?
Without all the weapons
Without war and pain
Egregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the nature
Will it ever come?
Or must we die
In a holocaust
Or in a poisoned world
Egregios disfiguring
Drubbing the earth
Edacious dynasty's denaturalise
Comminutes the nature
Death!!!
