

## The Return

Therion

Strike at mother earth  
No one will survive  
Kill the human race  
With radioactive air  
Egregios disfiguring  
Drubbing the earth  
Edacious dynasty's denaturalise  
Comminutes the nature  
When come the return  
Of a clean nature?  
Without all the weapons  
Without war and pain  
Egregios disfiguring  
Drubbing the earth  
Edacious dynasty's denaturalise  
Comminutes the nature  
Will it ever come?  
Or must we die  
In a holocaust  
Or in a poisoned world  
Egregios disfiguring  
Drubbing the earth  
Edacious dynasty's denaturalise  
Comminutes the nature
