

# Thor

Therion

Originally performed by Manowar  
Black clouds on the horizon  
Great thunder and burning rain  
His chariot pounding, I heard the heavens scream his name  
I watched as he shouted  
To the giants that died that day  
He held up his hammer high and called Odin for a sign  
Thor the mighty, Thor the brave  
Crush the infidels in your way  
By your hammer let none be saved  
Live to die on that final day  
Gods, monsters and men  
We'll die together in the end  
God of thunder, God of rain  
Earth shaker who feels no pain  
The powerhead of the universe  
Now send your never ending curse  
I watched as he shouted  
To the giants that died that day  
He held up his hammer high and called Odin for a sign  
Thor the mighty, Thor the brave  
Crush the infidels in your way  
By your hammer let none be saved  
Live to die on that final day  
Gods, monsters and men  
We'll die together in the end  
Swing your hammer to crack the sky  
Lift your cape so that you might fly  
Back to Odin and gods on high  
And leave this mortal world  
Thor the mighty, Thor the brave  
Crush the infidels in your way  
By your hammer let none be saved  
Live to die on that final day  
Gods, monsters and men  
We'll die together in the end  
Odin
