

To Mega Therion

Therion

Powers of Thagirion
Watch the Great Beast to be
For To Mega Therion
The Draconian melody
The Dragon open the eye
And reveal both truth and lie
Spiritual supremacy

Ride the Beast of ecstasy
Spiritual supremacy
Ride the Beast of ecstasy

Ialbaophs creative spark
Manifests the utmost dark
Ialbaophs creative spark

Meaning of the letter Theth
Hide the force of Baphomet
Meaning of the letter Theth

The wound of Baal will be healed
When sign of time is unsealed
The wound of Baal will be healed

The world will burn by Soraths flame
And through the solar sign proclaim

Ascending fiend of the sea
Will fulfill prophecy
Man will feel the wrath of Beast
When fenris wolf is released
The Dragon open the eye
Reveal both truth and lie
Spiritual supremacy

The end of revelation
A soulful violation
The end of revelation

Bear the mark of victory
And the spear of destiny
Bear the mark of victory
