

## Wand of Abaris

Therion

Walking through heat and desert sand  
high priest of the Egyptian land  
on his way to the land of snow  
From his wand all the magic flows  
The wand is glowing in the dark  
Abaris show the way to Man  
Sparks and arrows of the sun  
Penetrates the human mind  
Leave the groves of Arcady  
take the wand across the sea  
(The) rune of EiwaR is guiding you  
A Delphian forecast of what to do  
Enter Sanctum of Upsala  
earthly foretaste of Walhalla  
The wand is glowing in the dark  
Abaris show the way to Man  
Sparks and arrows of the sun  
Penetrates the human mind  
Leave the groves of Arcady  
take the wand across the sea  
I see divine Abaris in the labyrinth  
I hold the bow and arrow made of hidden runes
