

## Fire-Power

### These New Puritans

The music awakes my ears rotate  
The music awaking a one person's thinking.

My words evaporate evaporate evaporate  
I'm in the fire fire fire!

This is a world attack, this is a sound attack,  
This is a world attack, this is a mind attack,  
This is a world attack.

My words evaporate evaporate evaporate  
I'm in the fire fire fire!
