

## Dr. Evil

## They Might Be Giants

Evil  
Evil is his one and only name  
Evil  
In his mind there is no other game

When your name is Evil that is good  
Or so you think  
But you're so very wrong  
It's evil

But being wrong is right  
So then you're good again  
Which is the evilest thing of all

Do you find his subtle ways invite you  
Does he excite you?  
If his contradictions should attract you  
Should he distract you

Heaven help you then  
You're finished, it's the end  
There'll be no retrieval  
From the evil  
The evil he will do

He's evil  
He's Dr. Evil  
His name is Evil
