

I Can Add

They Might Be Giants

Paper out, pencils raised.
One plus one is two,
Two plus two is four,
Four plus four is eight,
And eight plus eight is sixteen.

I can add, I can add.
I can add, I can add.

"I don't even know Spanish,
But I'm gonna sing it in Spanish, now!"

Uno mas uno es dos.
Dos mas dos son cuatro.
Cuatro mas cuatro son ocho.
Ocho mas ocho son dieciseis.

I can add, I can add.
I can add, I can add.

Two kids countin' plus one kid countin'
Equals three kids countin'.
Three kids countin' plus two kids countin'
Equals five kids countin'!

One plus one is two,
Two plus two is four,
Four plus four is eight,
And eight plus eight is sixteen.

I can add, I can add.
I can add, I can add.

"Alright, two plus one is three,
Three plus one is four,
And four plus one is five.
I'm gettin' it!
I'm gettin' good at this!"
