

Lazyhead And Sleepybones

They Might Be Giants

Lazy Head and Sleepy Bones
Always disagree
Though everybody says, "They should be friends"
They're too tired to see

When Sleepy Bones says, "He's feeling tired"
Lazy Head wants to rest
When Lazy Head says, "It's number one"
Sleepy Bones says, "It's best"

When Lazy Head uses imagination
Sleepy Bones daydreams
Sleepy Bones says, "It's not what it looks like"
And Lazy Head says, "It's not what it seems"

Lazy Head and Sleepy Bones
Always disagree
Though everybody says, "They should be friends"
They're too tired to see

When Lazy Head says, "Somebody's skinny"
Sleepy Bones says, "Thin"
When Sleepy Bones says, "Identical"
Lazy Head says, "Twin"

When Lazy Head says, "The window is closed"
Sleepy Bones says, "It's shut"
When Sleepy Bones says, "That something isn't"
Lazy Head says, "It's not"

Lazy Head and Sleepy Bones
Both take naps so long
And even though they should be friends
They can't get along

Lazy Head and Sleepy Bones
Always disagree
Though everybody says, "They should be friends"
They're too tired to see
