

# No!

## They Might Be Giants

No is no  
No is always no  
If they say no  
It means a thousand times no

No plus no equals no  
All no's lead to no, no, no

Finger pointing, eyebrows low  
Mouth in the shape of the letter O

Pardon me, no  
Excuse me, no  
May I stay? Can I go?  
No, no, no

Do this, no  
Don't do that, no  
Sit, stay, roll over  
No, no, no

Finger pointing, eyebrows low  
Mouth in the shape of the letter O  
Red means stop, do not go  
No, no, no
