

All We Know Is Winning

Thi'sl

All we know is winning
All we-all we know is winning
All we know is winning
All we-all we know is winning
All-all-all we know is winning
All we-all we know is winning
All we know is winning
'Cause it ain't no more losing

Face down to the ground, like I'm posted on the line
Go hard as you can, that's the only thing that's on my mind
Whole place rowdy like we playin' in the Rose Bowl
Cross the line, through the cut, only thing I see is goal
And I got drafted, I was on a 23 and 1
Guess I switched teams, well let's say I'm probably 4 and 1
He took all my sins and divided it like hole in one
Never could repay him but I'm playing like I owe him one
You know 'bout the King, one-one to the six
Mix it with that Full Ride, boy we 'bout to throw a fit
Roll up in your city, diesel 'bout a hundred twenty-six
If you know 'bout your boy, you know there's nothing counterfeit
You know what I mean, it ain't nothing but a thing
If I never leave the bench, I'll stay or get a ring
Got a no-trade option and I'll never lose again
'Cause all we know is win, win, win

All we know is winning
All we-all we know is winning
All we know is winning
All we-all we know is winning
All-all-all we know is winning
All we-all we know is winning
All we know is winning
'Cause it ain't no more losing

Step up to the plate, say my grace and then I'm outta here
Aiming for repentance like the vintage ain't no doubt in here
I just wanna win, it don't matter how I get it
Submission or get pinned, yep I'm swinging, I'm kicking
I make war, no USC, but I bet you seein' me
Yelling my battle cry, leave it all inside the ring
Get a ring and the crowd turned up, no turning down
Fight's on, play it loud, this walker music bang in the crowd
They goin' wild, as I hit the field I feel the night is heavy
I can feel the love, that's it, I know it's hard, accept it
Yeah, hey this a win whenever we goin' in
At the end of the night, it don't matter where we went
Posted on the block, worldwide like who ya pimpin'
Travel overseas we still run, that's Olympic
Bring it back, no penalty, so it's first and 10, Thiz
Ain't no doubt in here, now all we do is win

All we know is winning
All we-all we know is winning
All we know is winning

All we-all we know is winning
All-all-all we know is winning
All we-all we know is winning
All we know is winning
'Cause it ain't no more losing

We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
We didn't come in here to lose
