All That We Perceive

Thievery Corporation

Everything that's real And everything unrealized All infinity Starts falling from your eyes We are fluid dreams Vivid memories All uncertainly Leads to eternity

All that we perceive In every mystery Who are we What we see I can't comprehend

Who are we What we see I can't comprehend

Illuminating love falls from the skies To water the illusions in our eyes All that we desire and all we fear All our aspirations grow unclear

We feel endlessly Beyond all gravity

Who are we What we see I can't comprehend

Who are we What we see I can't comprehend
