Don't wanna be  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Don't wanna be  
Alone and defenceless

Every now and then when i see you  
There seems to be no measure of time  
I can't make you feel the way that I do  
Still I won't be giving up on you

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless

Every now and then when i see you  
There seems to be no measure of time  
I can't make you feel the way that I do  
Still I won't be giving up on you

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless

My feelings run deeper and meet the eye

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless

Don't wanna be  
Alone and defenceless  
Don't wanna be  
Alone and defenceless ...
