

## In Love

## Thievery Corporation

I remember, the night we met  
That night we sat, entwined  
Under summer skies  
I looked into your eyes and you looked into mine  
You said, "You're not like the rest"  
    (Oleander holly)  
And I nodded  
    (Crimson feet of Collie)  
"No one understands me", you said  
And I nodded once again  
    (Beautiful and lovely)  
As if to agree that all men  
Are indeed the same  
    (My baby)  
Somehow, you said  
    (The only one)  
I was different  
    (Who really understands me)  
Floating hand in hand we  
Whisper in the moonlight  
And say that I'm  
The things you want to see  
    (Coriander star child)  
For months on end  
I maintained  
    (Goddess of the moonlight)  
A veneer of sincere interest  
    (Hold me in the morning)  
'Cause as if I were listening  
As you relived every page  
    (And tell me I'm)  
Of self help and new age  
    (The only one alive)  
That you had read  
And I went in for the kill  
    (Who really understands you)  
I'd read the same books  
    (Tell me pretty stories)  
I learned to ape the motions  
Of a 'sensitive' human being  
    (Say you understand me)  
And we were 'oh, so happy'  
    (My baby)  
But you found things to fix  
    (The things you want to see)  
And I knew it was time  
To move on  
    (That I could never be, in love, in love)  
So now you have me, completely figured out  
You feel sorry for me  
I can't express my feelings, I can't tell the truth  
We are all alike  
At puberty, I was sworn to secrecy  
By the international brotherhood  
Of lying fickle males  
I can't tell you anything and I can't commit  
You're right, I can't commit to you

(Hold me in the morning)  
I will always treasure  
Our time together  
    (Tell me pretty stories)  
I don't feel enough of anything  
To harbor the kind of disdain  
    (Say that you're the only one)  
That you'll maintain  
You painted me into what you  
    (My baby)  
Wanted to see  
And that's fine  
    (But I could never be)  
But you will never know me  
    (In love, in love)  
Oleander holly  
Crimson feet of Collie  
Beautiful and lovely  
My baby, the only one  
Who really understands me
