

## Shyness

### Thieves Like Us

My heart bleeds about it,  
bleeds about it today  
It's hard, but I know  
that I'll make it to the kingdom one day  
I was a fool yeah  
never thinking of the choices I made

Shyness, let it go  
Never have to be alone, yeah  
Shyness, shyness  
Shyness, let it go  
Never have to feel so lonely  
Shyness, shyness

Under the moonlight  
I was waiting for an answer  
Some way, I walked in shadows  
was unfaithful to the people who care  
My heart bleeds about her  
bleeds about her today, yeah

Shyness, let it go  
Never have to be alone, yeah  
Shyness, shyness  
Shyness, let it go  
Never have to feel so lonely  
Shyness, shyness

Shyness, let it go  
Never have to be alone, yeah  
Shyness, shyness  
Shyness, let it go  
Never have to feel so lonely  
Shyness, shyness

Shyness, let it go  
Never have to be alone, yeah  
Shyness, shyness  
Shyness, let it go  
Never have to feel so lonely  
Shyness, shyness
