

Baby Drives Me Crazy

Thin Lizzy

I said, baby, baby, baby .. baby, baby, baby .. ooh baby baby,
baby...

Baby drives me crazy

Baby drives me crazy

Crazy about you baby

Baby drives me crazy

We're a little bit crazy

Aren't we baby?

Sugar with the sweet night

Sugar with the midnight

Sweet on you sugar

Love a little true love

Sweet on you honey

I said, baby, baby, baby ... baby, baby, b-b-b-baby, b-b-b-b-b-
b-baby

I said, baby! baby!
