

1. Its Midnight in the big city
At the bar drinking all on my own
Just thinking about that girl and me
How something's going wrong

2. Mister tell me
Whats my saving grace
The backroom boys are all telling me
I'm a borderline case

R: Back on the borderline one more time (2x)

3. Seven beers and still sober
It's time to change to something stronger
I cannot take this scene no longer
She could have told me its all over

4. Back in my home town
The old place it's still the same
But time can cast a spell over someone
And you can't go back again

R: Back to the borderline one more time (2X)

5. Mister fill me another
Till I go crazy and it turn my mind around
Just pass that bottle one more time
I'm slowly sinking down

6. Genie can I tell you
The shame of my disgrace
It's just love or rejection
For this borderline case
