

Cowboy Song

Thin Lizzy

1. I am just a cowboy lonesome on the trail
A starry night, a campfire light
The coyote call, the howling winds wail
So I ride out to the old sundown

2. I am just a cowboy lonesome on the trail
Lord, I'm just thinking about a certain female
The nights we spent together riding on the range
Looking back it seems so strange

R: Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Running free with the rodeo

3. I was took in Texas I did not know her name
Lord, all these southern girls seem the same
Down below the border in a town in Mexico
I got my job busting broncs for the rodeo

R: Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Riding in the buffalo

R: Roll me over and turn me around
Let me keep spinning till I hit the ground
Roll me over and let me go
Riding in the buffalo

R: Roll me over and set me free
The cowboy's life is the life for me
