

# Cowboy Song

Thin Lizzy

1. I am just a cowboy lonesome on the trail  
A starry night, a campfire light  
The coyote call, the howling winds wail  
So I ride out to the old sundown

2. I am just a cowboy lonesome on the trail  
Lord, I'm just thinking about a certain female  
The nights we spent together riding on the range  
Looking back it seems so strange

R: Roll me over and turn me around  
Let me keep spinning till I hit the ground  
Roll me over and let me go  
Running free with the rodeo

3. I was took in Texas I did not know her name  
Lord, all these southern girls seem the same  
Down below the border in a town in Mexico  
I got my job busting broncs for the rodeo

R: Roll me over and turn me around  
Let me keep spinning till I hit the ground  
Roll me over and let me go  
Riding in the buffalo

R: Roll me over and turn me around  
Let me keep spinning till I hit the ground  
Roll me over and let me go  
Riding in the buffalo

R: Roll me over and set me free  
The cowboy's life is the life for me
