

# Dedication

Thin Lizzy

This is dedicated to the woman I love,  
Wherever she stands - my dedication,  
This is dedicated to the millions,  
That are starving from hunger - in dedication.

R: Dedication, dedication,  
I dedicate it, dedicate it, Dedication.

This is dedicated to the front lines,  
that are dying, for dedication,  
This is dedicated to the child of mine,  
Wherever she stands, I give a dedication.

R: Dedication...

This is dedicated for the children,  
That are starving (edge to ends),  
I dedicate this to the millions,  
I dedicate it to you.

Oh yeah, A dedication,  
Oh yeah, Oh yeah,  
Oh yeah, Oh yeah, Oh yeah,  
I Dedicated.

This is dedicated, (I dedicate this song)  
to the woman i love, (to the woman I love)  
Wherever she stands, (wherever she stands)  
I give her dedication.

This is dedicated, (there are millions)  
to the millions, (they are starving)  
that are starving, (from hunger, oh...)  
in dedication.

Dedication, (I dedicate it)  
Dedication, (this song is for you)  
I dedicate it, (I dedicate it)  
Dedicate it, (I dedicate it)  
Dedication. (I dedication)

Dedication, (to the woman I love),  
Dedication, (to the child I knew)  
I dedicate it, (dedicate it),  
dedicate it, (dedicate it),  
Dedication. (dedication)
