1. Well I thought I could make you cry
 Oh didn't I?
 I didn't think that I would miss you
 Ah did you, did you true?
 And I told you before
 When you walked out that door
 That I wouldn't love you any more
 I cannot cope any more

(3x)

- 2. Well I thought you'd never lie
 Why didn't I?
 I didn't think that you'd be untrue
 Well did you, did you too?
 And I've told you before
 When you'd walk out that door
 That I would no cope any more
 I do not have you any more
- 3. I thought I could make you cry
 And I tried now didn't I?
 I didn't think that I would miss you
 But it wasn't true, I do
 And I told you before
 A million times or more
 That when you'd walk out that door
 I would no love you any more
 I do not love you any more
- R: I lied now didn't I?
 Oh didn't I?
- 4. There are people in this town That say I don't give a damn But the people in this town They never could understand Oh they never could understand
- 5. I thought I could make you cry
 And I tried, now didn't I? Didn't I try, didn't I?
 I didn't think that I would miss you
 But it wasn't true, I do, I do
 And I told you before
 That you'd open up my sores
 And you'd leave me here with scars
 I cannot take it any more
 Oh don't hurt me no more
- R: I cried and I cried, now didn't I?
 Why didn't I try? Why didn't I?
