

Fighting My Way Back

Thin Lizzy

fighting,
fighting,

1. I'm tough, rough, ready and able
To pick myself up from under this table
Don't stick no sign on me, I got no label
I'm a little sick, unsure, unsound and unstable

R: I'm fighting my way back
fighting my way back
fighting

2. I'm busting out and I'm going in
I'm kicking up about the state I'm in
Looking to my future, not my past
I want to be a good boy but how long can it last

R: I'm fighting...

D# G# Fmi B (8x)

R: I'm fighting...

3. This kid is going to wreck and ruin
I'm not quite sure of what I'm doing
You see it happened all a little too soon
But it's all there in this here tune

R: I'm fighting my way back
fighting my way back

fighting my way.

R: fighting
fightning my way

4. I'm busting out and I'm going in
I'm kicking up about the state I'm in
I'm tough, rough, ready and able
To pick myself up from under this table

R: I'm fighting...
