```
I got a girl in Brixham town
Her daddy don't like me hangin' 'round
The boy ain't black, the boy is brown
Don't he know it's a halfcaste town
```

Big smoke Big smoke Big smoke

The boy is halfcaste Halfcaste Halfcaste

I got a girl up near Richmond way
Her daddy don't like me to lead the girl astray
The brown boy is born to serve he say
Don't he know it's a different day

In the big smoke
No joke
Big smoke
I like it
Big smoke
Big smoke

Mister, I'm halfcaste You see, I'm halfcaste I got no class You see, I'm halfcaste Halfcaste
