- 1. Little darling, gonna be a rock and roll star Little darling, gonna play electric guitar
- R: Little darling, I'd like to get to know you Pleased to meet you, how do you do?

Little darling Little darling Little darling Little darling Little darling, gonna love you tonight

- 2. Little darling, gonna shake, shake, boogaloo Little darling, can I rattle my bones and dance with you?
- R: And later on there'll be some lovie dovin'
  A little kissing a little hugging a little holding you
  Little darling Little darling...
- 3. Little darling, what's your mama mama going to do?

  Little darling, when she finds out I stayed out all night

Little darling, when she finds out I stayed out all night wi th you?  $\label{eq:continuous}$ 

R: Little darling, I'm gonna miss kissing you Little darling, I'm gonna miss missing you

Little darling Little darling
Little darling Little darling
Little darling, Little darling
Little darling, gonna love you tonight
