

Memory Pain

Thin Lizzy

1. It serves me right to suffer
It serves me right to be alone
It serves me right to suffer
It serves me right to be alone

R: You see I'm living in the memory
Of a day that has passed and gone

2. Everytime I see a woman
You know it makes me think about mine
Everytime I see a woman
You know it makes me think about mine

R: You see I'm living...

3. It serves me right to suffer
It serves me right to be alone
It serves me right to suffer
It serves me right to be alone

R: Now I'm living in the memory
Of a woman that has passed and gone
