

Out In The Fields

Thin Lizzy

1. It doesn't matter if you're wrong or if you're right
It makes no difference if you're black or if your white
All men are equal 'till the victory is won
No color or religion ever stopped a bullet from a... (gun)

R: Out, in the fields, the fighting has begun
On the streets, they're falling one by one
From the skies a thousand more will die each day
Death is just a heartbeat away

2. It doesn't matter if you're left or to the right
Don't try to hide behind the cause for which you fight
There'll be no pris'ners taken when the day is done
No flag or uniform ever stopped a bullet from a... (gun)

R: Out, in the fields...

*: There's no communication
No one to take the blame
The cries of every nation
Have fallen on deaf ears a-gain

R: Out, in the fields
out, in the fields
they are falling one by one
out, in the fields
No flag has ever stopped a bullet from a gun
Death is just a heartbeat away

out, in the fields

R: Out, in the fields, the fighting has begun
On the streets, they're falling one by one
From the skies a thousand more will die each day
