

# The Sun Goes Down

Thin Lizzy

1. There is a demon among us  
whose soul belongs in hell  
Sent here to redeem us,  
she knows it all too well  
He comes and goes, he comes and goes,  
she knows it all too well  
But when all is said and done

R1: The sun goes down  
The sun goes down  
The sun goes down  
The sun goes down

2. She tries her best to leave him, but she is still captured by his  
spell  
She knows now she must deceive him, he knows it all too well  
She comes and goes, she comes and goes, he knows it all too well  
But when all is said and done

R1: The sun goes down...

\*: She comes and goes, she comes and goes,

But when all is said and done

R1: The sun goes down...

R2: There is a demon within us  
The sun goes down
