

The Sun Goes Down

Thin Lizzy

1. There is a demon among us
whose soul belongs in hell
Sent here to redeem us,
she knows it all too well
He comes and goes, he comes and goes,
she knows it all too well
But when all is said and done

R1: The sun goes down
The sun goes down
The sun goes down
The sun goes down

2. She tries her best to leave him, but she is still captured by his
spell
She knows now she must deceive him, he knows it all too well
She comes and goes, she comes and goes, he knows it all too well
But when all is said and done

R1: The sun goes down...

*: She comes and goes, she comes and goes,
he knows it all too well
But when all is said and done

R1: The sun goes down...

R2: There is a demon within us
The sun goes down
She tries her best to deceive him
The sun goes down
