Things Ain't Working Out Down At The Farm

Thin Lizzy

- There goes Moses carrying his bible book Never has a problem, just has a cup It's good clean alcohol and it fills you up And here I go laughing like a fool, yeah
- R: Things ain't working out down at the farm
 Got no bag or baggage or love to keep me warm
 And I ain't been in trouble since the day I was born
 Things ain't working out down at the farm
- 2. I used to spend my sunny days supping aways Along came Gogarty and he put me away Down at the station was kept for strays And I went laughing, geez he like busting me, he liked busting me
- R: Things ain't working out down at the farm...
- R: Things ain't working out down at the farm...
- 3. He caught me unawares and he made me strip naked Oh I was scared, oh I was scared, I was shaking And he said, it's you and me, And me and you And me and me, and you and you, and me and me And I just kept laughing like a fool, yeah
- R: Things ain't working out down at the farm

 Got no bag or baggage or love to keep me warm

 And I ain't been in trouble since the day I was born
