

# This Is The One

Thin Lizzy

1. I've got to find an occupation, I've got to keep myself employed

It's a bad situation, my brain's destroyed

I've got to find a new vocation, I feel it burning down inside

Such a low down abrasion, inside it hurts my pride

R: I hear it, I know it, I touch it, I feel it, I see it

Some day we will have won, I can feel it in my bones

This is the one

I hear it, I know it, I touch it, I feel it, I see it

Some day thy will be done, I can feel it in my bones

This is the one

2. Got a bad situation, I can feel it building up inside

Got a certain reputation, outside outside

I've got another situation, I can feel it building to my soul

Hell bent, hell raising, I feel it through my soul

R: I hear it, I know it...

R: I hear it, I know it, I touch it, I feel it, I see it

Some day thy kingdom come, I can feel it in my bones

This is the one

I hear it, I know it, I touch it, I feel it, I see it

This is the one (this is your son)

This is the one

I hear, I touch it, I feel it, I see it

Some day thy will be done, I can feel it in my bones

This is the one
