

Anything

Third Day

I can't do anything
I can't do anything without you
You can do everything
You can do everything You want
I just can't believe
I can't believe that You would love me
After everything
After everything I've done

And I wanna love you
Love You more than life itself
And I wanna hold You
Even though You can't be held
Because You're so much more
Than everything I've ever known
Anything, anything

I'd give anything
I would give anything to hold You
I want to live for You
For You alone I want to live
When I see Your face
I would do anything to know You
You gave me everything
You gave all You have to give

Halle, hallelujah
Halle, hallelujah
Halle, hallelujah
