

# Come Together

## Third Day

You can all call me crazy  
For the things that I might say  
You can laugh all you want to  
I know there will come a day  
When we all will come together  
And learn to set aside our hate  
If we could learn to love our neighbors  
Just like we would love ourselves

We've got to come together  
'Cause in the end we can make it -- alright  
We've got to brave the weather  
Through all of the storms  
We've got to come together  
'Cause in the end we can make it -- alright  
We've got to learn to love

You can call me a dreamer  
But these dreams will come true  
Yes, I am a firm believer  
In the things that we can do  
If we would all just come together  
And let the Lord lead our way  
There is nothing that we can't do  
There is nothing we can't face

We've got to come together  
'Cause in the end we can make it -- alright  
We've got to brave the weather  
Through all of the storms  
We've got to come together  
'Cause in the end we can make it -- alright  
We've got to learn to love

And I know that there will come a day  
When the Lord will call His own away  
To a place that He has made for all of us  
But until the day of His return  
There's a lesson that we've got to learn  
We are brothers and we're sisters  
We are one

We've got to come together  
'Cause in the end we can make it -- alright  
We've got to brave the weather  
Through all of the storms  
We've got to come together  
'Cause in the end we can make it -- alright  
We've got to learn to love
