## I Believe

Give me something that I can believe and then I'll Share it with the world for everyone to see Take away the darkness, all the pain and sadness I know it's you that put this light inside of me I believe in a faith that's strong I believe in a hope that carries on I believe in these things and more Most of all, most of all I believe in love And if I had the strength to move a mountain Would you be amazed by all of my abilities I guess it would not mean much if I didn't have love And this is what I really want you all to see I believe in a faith that's strong I believe in a hope that carries on I believe in these things and more Most of all, most of all I believe in love, I believe in love I believe in love, I believe in love I believe in a faith that's strong I believe in a hope that carries on I believe in these things and more I believe in a faith that's strong I believe in a hope that carries on I believe in these things and more Most of all, most of all I believe in love, I believe in love I believe in love, I believe in love
