

# I'll Be Your Miracle

Third Day

When you're down and you're falling fast  
And you feel like your hope won't last  
You know that I'll be your miracle  
When you find that your faith is gone  
You're not sure if you can carry on  
You know that I'll be your miracle

You've been through more than anyone should  
Can you find the good in such a bad situation?  
You never thought this could happen to you  
Now you know the truth, you feel like your life is fading

Well, I hope you can remember

When you're down and you're falling fast  
And you feel like your hope won't last  
You know that I'll be your miracle  
And when you find that your faith is gone  
You're not sure if you can carry on  
You know that I'll be your miracle

The life you had is going to change  
But please don't be afraid  
Well, it might be for the better

When you're down and you're falling fast  
And you feel like your hope won't last  
You know that I'll be your miracle  
And when you find that your faith is gone  
You're not sure if you can carry on  
You know that I'll be your miracle

Well, I'll be the one that's standing next to you  
I'll be the one that's gonna help you make it through  
When everybody else has gone  
I'll be the one that's holding you, oh, whoa

When you're down and you're falling fast  
And you feel like your hope won't last  
You know that I'll be your miracle  
When you find that your faith is gone  
You're not sure if you can carry on  
You know that I'll be your miracle

I'll be your miracle  
Oh, whoa, oh whoa, I'll be your miracle  
I'll be your miracle  
Oh, whoa, oh whoa, I'll be your miracle  
Oh, whoa, oh whoa, I'll be your miracle
