

Kicking and Screaming

Third Day

What if I told you that I love you
What if I showed you just how much
I would do anything to hold you
Give everything to prove my love

Yeah, no one can keep me from your side
Yeah, but if they ever even try
They'd have to drag me away
Kicking and screaming
They'd have to drag me away
Kicking and screaming

And if you said you didn't want me
You kept me away, you said we were through
You don't know just how ready and willing
To do everything that I can to convince you

Yeah, no one can keep me from your side
Yeah, but if they ever even try
They'd have to drag me away
Kicking and screaming
They'd have to drag me away
Kicking and screaming

I'd go anywhere
As long as you are there
You know I'd do anything
As long as you're with me
I would fight for you
If you want me to
I will not lie to you
Give my life for you

They'd have to drag me away
Kicking and screaming
They'd have to drag me away
Kicking and screaming
