## **Kicking and Screaming**

What if I told you that I love you What if I showed you just how much I would do anything to hold you Give everything to prove my love

Yeah, no one can keep me from your side Yeah, but if they ever even try They'd have to drag me away Kicking and screaming They'd have to drag me away Kicking and screaming

And if you said you didn't want me You kept me away, you said we were through You don't know just how ready and willing To do everything that I can to convince you

Yeah, no one can keep me from your side Yeah, but if they ever even try They'd have to drag me away Kicking and screaming They'd have to drag me away Kicking and screaming

I'd go anywhere As long as you are there You know I'd do anything As long as you're with me I would fight for you If you want me to I will not lie to you Give my life for you

They'd have to drag me away Kicking and screaming They'd have to drag me away Kicking and screaming Third Day
