Medley

Third Day

you said all that follow you may find comfort and pain, blessings in hard times

were i to leave, where else would i go? the words of life and of truth you hold

all i want is love I confess to this I will take it, lord all you have to give

turn your eyes upon jesus look full in his wonderful face and the things of earth will grow strangely dim In the light of his glory and grace

Turn you eyes...

and you give yourself away and you give yourself away and you give and you give and you give yourself away

all I want is love and I confess to this I will take it, lord all you have to give all you have to give all you have all you have to give your love oh lord...
