

# Movin' on Up

## Third Day

Well I was blind  
But now I can see  
You made a believer  
Out of me

Well I was blind  
Now I can see  
You made a believer  
Out of me

And I'm movin' on up now  
I'm gettin out of the darkness  
My light shines on  
My light shines on  
My light shines on

Well I was lost  
But now I am found  
I believe in you  
I've got no doubts

Well I was lost  
But now I am found  
I believe in you  
I've got no doubts

And I'm movin' on up now  
I'm gettin out of the darkness  
My light shines on  
My light shines on  
My light shines on

My light shines on  
My light shines on  
My light shines on  
My light shines on

My light shines on  
My light shines on  
My light shines on  
My light shines on

I'm getting out of darkness  
My light shines on  
My light shines on  
My light shines on  
My light shines on
