

I want to be a rock star  
But, I ain't got what it takes  
The drive and the determination  
And the lucky breaks  
I want to be a rock star  
But, I ain't got the face  
I want to be a rock star  
But, I ain't got what it takes

Seeing my face up on the TV  
Hearing my songs on the radio  
People waiting all day in line to see me  
Doing my pose for Rolling Stone

Well, it's alright, yeah it's alright  
Living lifestyles of the rich and famous  
Turning all heads in the music scene  
Flying in my own jet plane to Vegas  
Riding in a big black limousine

Well, it's alright, yeah it's alright  
No, I ain't got nothing  
But, to you I'm something  
Something so much more
