

# 'Til the Day I Die

Third Day

I wanna tell you  
I wanna tell you just how I feel  
I will show you  
I will show you my love is real

Nobody's ever gonna love you like I am  
You never can deny that  
Nobody's ever gonna hold you like I am  
I'll love you 'til I die  
Until the day I die

I said "forever"  
I said "forever" and I mean it  
I made a promise  
And I intend to always keep it

Forever is so far beyond the reach of my mind  
So I'll give all I have, my heart, my love, my life
