

When The Rain Comes

Third Day

When the rain comes it seems that everyone has
gone away
When the night falls you wonder if you shouldn't
find someplace
To run and hide
Escape the pain
But hiding's such lonely thing to do

I can't stop the rain
From falling down on you again
I can't stop the rain
But I will hold you 'til it goes away

When the rain comes you blame it on the things that
you have done
When the storm fades you know that rain must fall
on everyone
So Rest awhile
It'll be alright
No one loves you like I do

When the rain comes
I will hold you!
