

Your Love Is Like a River

Third Day

Your love is like a river flowing from my heart
Your love is like a river flowing from my heart

When this cruel world tears us apart
Your love is like a river flowing from my heart
When sharpened words have left their scars
Your love is like a river flowing from my heart

And it's overflowing and showing us all
How deep and how wide is your love
It never stops, it rages on
Your love is like a river flowing from my heart

When I am tired and so afraid
Your love is like a fire that will light my way
When darkness falls and my vision fades
Your love is like a fire that will light my way

And it's always burning and stirring my soul
To know you and love you much more
It never stops or ever fades
Your love is like a fire that will light my way

Oh, it's never gonna stop
Oh, it's flowing from my heart
Oh, it's never gonna fade
Your fire will light my way

When all my strength and hope is gone
Your love is like a rock that I am standing on

Oh, it's never gonna stop
Oh, it's flowing from my heart

Your love is like a river flowing from my heart
Your love is like a fire that will light my way
Your love is like a rock that I am standing on

Your love is like a river flowing from my heart
Your love is like a fire that will light my way
Your love is like a rock that I am standing on
Your love is like a river flowing from my heart
