Third World

Yeh-hey-hey
Yeh-hey-hey
Yeh-hey-hey
I see sisters 'cross the
And I don't like city streets
So I'm heading for the country side
where the air is fresh and sweet
I wanna get some
cool me-di-tation
To get some
Cool me-di-tation
Some of my brothers in the city
they have taken to the gutter
but i'm a living working man
and I love my
cool me-di-tation
And you can get some
Cool me-di-tation
I gotto get away
Yeh-he-he-he-he-he hey
get a-way
Yeh-he-he-he-he-he hey
Get a-waaay
-Interlude-
get a-way
Yeh-he-he-he-he-he hey
get a-way
Yeh-he-he-he-he-he hey
Get a-waaay
Sunshine in the morning
and the city smile gets close
problems stay behind
music on my mind
and im heading for the coast
to get some cool meditation
floating in the breeze
Cool meditation
Cool meditation
