

Simplicity

Third World

Simplicity

That's the way I want it to be

Simplicity

Easy as one, two, three

I don't want it if it's complicated

It doesn't take too much for me to make it

If you've got true love you've got it all

Here's what I want to do is

Simplicity

I keep it simple, yea

Simplicity

Easy as one, two, three

If it takes too long to figure it out

Confusin' my mind creatin' a doubt

Strainin' my brain 'causin' me pain

Here's what I'm gonna do is

Simplicity-

That's the way life should be

Simplicity-

Easy as one, two, three

(instrumental)

life is worth much more than gold

It can't be bought, no, it can't be sold

To live is so easy

Why make it hard

All you gotta do is-

Simplicity-

Unison and harmony

Simplicity-

Easy as one, two, three-

Simplicity-

That's the way it's gonna be-

if your ambition is fortune an' fame

You want everybody to know your name

Make sure you've got true love at the end

Keep it simple yeah

Simplicity

that's the way I want it to be

Simplicity

Easy as one, two, three
