## Gone

## **Thirteen Senses**

Sometimes I rush to get right to the end I know I'll get to this place when I feel the time is right Sometimes I think that I know what I'm all about But when I look inside I can see the truth come out

Sometimes I try to go on I know it's wrong Cos when I see your eyes I can see the flame is gone, gone, gone

Sometimes I climb to the top to see what's above But when I find it there, there's no time for happiness Sometimes I count up to ten just to see when When will I see the sun, in my eyes I've just begun
