

Soundtrack Of My Life

This Beautiful Mess

all is full of you.
by grand design.
and you are beautiful.
it's omnipresent.
all is full of your almighty glory.
and it's revealing.
your omnipresence.
all is full of you.
in grand array.
and you are wonderful.
it's unfathomable.
all is full of all your holy majesty.
and everything's revealing.
you are the soundtrack of my life.
you are the song inside my heart.
and you are here
