

Cloud Cover

This Beautiful Republic

I cannot see
This cloud will not break
It's created suffering
It's what I did

Take me up
It's my desire
Speak to me
Sun bleeds through cloud cover

If darkness comes to me
What should I do?
Is there a chance for me
If I have Your love?

Take me up
It's my desire
Speak to me
Sun bleeds through cloud cover

Just speak to me
I need Your desire
I don't want just to feel it
To know that You know who I am

Take me up
It's my desire
Speak to me
Sun bleeds through cloud cover
Cloud cover

Take me up
It's my desire
Speak to me
Sun bleeds through cloud cover

You're all
You're all
You're all
You're all I see

You're all
You're all
You're all I see

You're all
You're all
You're all I see

You're all
You're all
You're all I see

You're all
You're all
You're all I see

You're all
You're all
You're all I see

You're all I see
You're all I see
You're all I see
