

## Jesus To The World

### This Beautiful Republic

Sometimes it's hard to see You, but I see Your people.  
Sometimes it's hard to hear You, but I heard Your  
preachers  
The proof is in the way, the way that they shine  
That's how I know that

The sun is coming down  
I get the feeling that I'm not home yet.  
Yeah, it's Your people  
They're Jesus to the world

When it was hard to see You, they gave me another chance  
like You.  
When it was hard to hear You, I could hear them speak  
Your words.  
My proof is in the way, the way that they shine.  
That's how I know that

It's always the way that I know...
