

Battling A Heavy Heart

This Century

You were lost, he was gone
I was here all along
Is it over yet?
Is it over yet?

Cause I'm a lover, not a fighter
But I'm battling a heavy heart
Yeah I'm battling a heavy heart
Leave it up to me

I've been waiting a long time, long time
I've been waiting a long time, long time
I would never ever do those things to you
We could run away if you wanted to
I've been waiting a long time, long time
for you

Are you sure he's the one?
I was sure he was done
Is it over yet?
Is it over yet?

Cause I'm a lover, not a fighter
But I'm battling a heavy heart
Yeah I'm battling a heavy heart

I've been waiting a long time, long time
I've been waiting a long time, long time
I would never ever do those things to you
We could run away if you wanted to
I've been waiting a long time, long time
for you

I've been waiting a long time, long time
I've been waiting a long time, long time
I've been waiting a long time, long time
for you, for you, for you, for you
for you, for you
